

We are your BEST option for International "MICE" logistics.

If you are organizing an event outside your country where you need to send gifts, awards, display goods, samples, publicity material, audio-visual and computing equipment, etc., many things must be considered. There are a lot of customs regulations that should be followed and a huge amount of paperwork that needs to be sorted out. Moreover, you also need to consider the time it will take for the shipment to reach different destinations...

Relax. We'll take over.

We will coordinate the logistics process of your shipment, step by step, from your office to anywhere in the world...

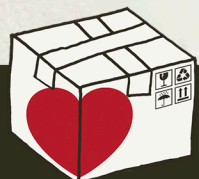

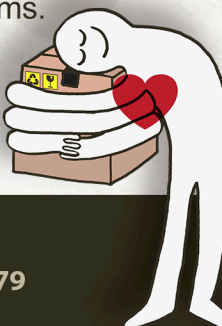

Because your merchandise means just as much to us, as it does to you !!!

Our services:

- Personalized attention.
- Collection of your goods anywhere in the world.
- Shipments received and consolidated at our warehouses.
- Local and international transportation by air, land, and sea.
- Customs Brokerage agency" (Global import-export services.)
- Freight insurance.
- Material delivered to event location.

- Collection and storage of packaging and empty containers.
- Coordination and return of your material once the event has finished.
- Forklift, loading skid and crane services for loading and unloading at event location.
- Release of shipments detained by customs.
- Last minute delivery.
- Storage.

Let's team up!
